

ISAAC'S on the fly

LIVE UNITED WEEK

Isaac's on the fly will hold a Community Fundraiser and donate 25% of food and beverage sales to benefit United Way of York County as part of LIVE UNITED WEEK.

United Way of York County collaborates with other public and private organizations to engage the community in addressing the complex issues facing York County. By developing initiatives that get at the root causes of these issues, United Way and its partners find solutions and fund programs that improve the lives of people in York County. Through gifts to the Community Fund, United Way is able to invest those dollars into 69 programs supported by 36 Partner Agencies. These programs address human services needs across three Focus Areas: Education, Health, and Financial Stability. This enables United Way to address the immediate and continuing needs of York County families and individuals and to create real, lasting change that matters to you and the community.
