

# Labor and United Way

Building bridges between people in need,  
and the programs that can help.

The Labor movement and United Way movement have a lot in common – we have a rich history and heritage of caring about human needs, justice, fairness and opportunity. We succeed together when we put our community first.

## How can labor help build bridges for people in need in York County?

- ✓ **GIVE.** United Way makes giving easy through payroll deduction, check, cash, or online.
- ✓ **ADVOCATE.** Be a champion for United Way's focus areas of Education, Health, and Financial Stability.
- ✓ **VOLUNTEER.** United Way makes volunteering easy through their Get Connected database.
