Our community needs YOU.**

### THANKS TO YOU...

Maria was trying to get back on her feet after leaving an abusive relationship. As a single mom to two 5-year-old boys, her resources were limited — but she knew she needed a safe place to live, a stable job, and care for her children. **Thanks to your generous support through the United Way of York County Impact Fund, Maria was able to connect with supports to meet all three of her goals.** Financial assistance enabled her to enroll her sons in a high-quality early learning program, where **both boys are gaining critical social and emotional skills to process their trauma and prepare to enter kindergarten in the fall.** Without this support, Maria could not have afforded to send her children to a safe and nurturing place while she accessed the victims' services she needed and sought stable employment to support her family moving forward.
