Attend Today, Achieve Tomorrow

Chronic absence is solved when the whole community plays a part.

United Way of York County

Too many unexcused absences can keep students from succeeding in school and life. Everybody plays a role in ensuring children attend school regularly. There are many different ways you can get involved as an individual, organization, or school. Many students miss school because they don't have simple items such as alarm clocks, personal hygiene items and school supplies. In honor of Attendance Awareness Month in September, United Way of York County is collecting items for students.

With your help, we can make a difference in the lives of children in York County and motivate them to attend school every day.

ITEMS NEEDED

- Alarm Clocks
- Personal Hygiene Items
(Shampoo, conditioner, body wash, toothbrushes, toothpaste, deodorant, feminine products, hairbrushes, and lotion)
- Nonperishable Breakfast Items
