A Message From
the Board Chair & President

Over the past year, United Way of York County has seen many changes. We introduced the ALICE Report, shedding light on the families in our community who are working hard, but living paycheck to paycheck and struggling to make ends meet. We began a new, multi-year strategic planning process to engage our stakeholders, learn from other successful United Ways, and set our path forward in a rapidly changing fundraising environment. We faced multiple challenges during the workplace campaign, many brought on by out-of-area ownership of once-supportive companies.

Although this was a challenging year for our team and volunteers, we stepped up with hard work and commitment to our community, and we recognize there is much to celebrate and be thankful for. Thanks to your generosity in giving, our team raised $6.2 million to meet the growing need in our community and improve the health, education and financial stability of 1 in 4 people in York County. Take a closer look at our impact on pages 4-5.

We extend our gratitude especially to our Chair for the 2019 Campaign, Liz Dellinger, who led the Campaign and Campaign Cabinet with dedication, passion, and commitment. Alexis de Tocqueville Society Cabinet Chair Kent Ketterman provided invaluable energy in engaging our most generous donors, and Allocations Division Chair and Board Member Bob Breighner led with strength and wisdom through the Allocations process, further detailed on page 8.

United Way of York County works hard to bring together people, resources and organizations to make an impact in our community. We thank the many passionate individuals — nearly 10,000 donors through the 2019 Campaign — whose generosity has allowed United Way and our valued Partner Agencies to continue their important work in building a stronger, caring York County. Our partnership with these agencies is what empowers United Way to have unprecedented impact and measurable outcomes in each of our focus areas.

Members of our Giving Societies also stepped up to give generously, advocate for United Way, and build connections in our community. Thank you to the Tocqueville Society, First Capital Club, Women United, and Emerging Leaders Society.

As we wrapped up this fiscal year, we faced the unprecedented challenges of the COVID-19 pandemic. For many of our ALICE neighbors without a safety net, this crisis has brought about new and ongoing challenges in meeting basic needs: Food. Housing. Job security. Our supportive companies are faced with difficult decisions and temporary closures, and our nonprofit partners are rising to meet immediate and increased needs.

The COVID-19 pandemic is a new challenge for all of us. And yet, we face this uncertainty with the same commitment that United Way has always made: To support our neighbors and ensure that the most vulnerable among us are protected. As we look toward our future, we know that we cannot do it without you. It takes all of us, working together, to build a stronger community, and we thank you for your support.

Gifts to the United Way of York County Community Fund are dollars that stay in York County and impact lives where you live and work. United Way does what no single agency, donor, volunteer or sector can do alone: We tackle the toughest issues facing our community by focusing on Education, Health, and Financial Stability, and we mobilize every resource, partner, and voice to create the foundation for our neighbors to have a quality life. Through the Allocations process, funding decisions are made by trained volunteers representing the diverse interests of our community, who are passionate about bringing about real, lasting change in the lives of those whom we serve.
