

How to hold a DONATION DRIVE

1. PICK A CAUSE

Hunger? Basic Needs? Education? What need do you want to support through your drive? Browse needs and agency requests through the United Way Volunteer Center website at www.unitedway-york.org/volunteer-center.

2. CREATE YOUR LIST

Determine the items you want people to donate, and make a list. If your items are ultra-specific, consider an Amazon wishlist.

3. CHOOSE YOUR DATE

Select a date (or date range), time and drop-off location to receive donations.

4. GET ORGANIZED

Organize and count the donations you received. If you're making kits from several smaller items, now's the time to get packing.

5. DELIVER YOUR ITEMS

Work with your chosen nonprofit or the United Way Volunteer Center to coordinate delivery of your collected goods. Don't forget to take photos and share them with United Way!

Here's how it works ...

CAUSE: Basic needs

LIST: Requesting soap, toothpaste, mini shampoo bottles, deodorant and pillows

DATE/LOCATION: Drop off at the Community Center, 2-4 p.m. on Sept. 4

ORGANIZE & COUNT: We received enough supplies to make 34 kits!

DELIVER ITEMS: United Way will pick up and deliver to the nonprofit in need
