

United Way of York County's Emerging Leaders Society is a network of young professionals who share a passion for advancing community solutions and furthering their professional development. Members embody United Way's mission to improve lives by inspiring and uniting our One York Community.

Through networking events and hands-on volunteering opportunities, members leverage the power of United Way to connect, serve, and lead personally and professionally.

Contribute \$250 or more annually, and be recognized in United Way publications

Network with like-minded community leaders, including First Capital Club and Tocqueville members

Stay connected to the impact of your United Way support and ways to be involved year-round!

YES! I want to become an Emerging Leaders Society member
