Dear Parents,

To be sure that we have a special selection of books in good reading condition for your children and other children in the program please do the following:

1. Keep the book in a safe place away from younger children or pets.
2. Teach your child/children to handle the book carefully. Clean hands please!
3. Please return the book as soon as you or your child is finished reading it.
4. Protect it from the weather by placing it in a plastic bag.

Thank you and happy reading!
