

Day of Action PROJECT IDEAS

OUTDOOR

- Build/repair a deck, fence, or ramp
- Weed gardens, mulch, and landscape
- Wash cars, repair equipment, paint building exteriors or playgrounds

INDOOR

- Sort equipment, materials, or toys
- Clean/sanitize items, paint, or reorganize rooms
- Assemble impact kits or prepare food boxes/meals

REMOTE

- Deliver meals, donations, and goods
- Hold a donation drive-through / drop off
- Prepare crafts or easy-to-make items

VIRTUAL

- Record a storytelling or reading video
- Video educational experiments or lessons for students of all ages
- Reach out to seniors or others through phone calls or wellness checks

SOCIAL DISTANCE ADAPTATIONS

- Have volunteers target designated land areas that can be worked on individually
- Create a spaced-out grid for car washes or exterior projects
- Designate volunteers to specific rooms or items to sort, paint, or organize
- Set up spaced-out assembly lines or sanitization stations
- Space out volunteers throughout work sites and have enough equipment for each person to use their own tools

Your needs, your volunteers, your impact!
