

2021

campaign celebration

The United Way of York County Annual Campaign is the most significant annual fundraising campaign for York County, and we have a LOT to celebrate in our 100th year! Thank you for being one of the many hands that made this work possible. Now it's time to thank our community for their generosity. On April 6, 2022, we'll gather in person for a special evening to recognize company award winners, announce the winners of the prize giveaway, and celebrate the strength of York County. Your sponsorship is what makes this event possible!
