Anyone can volunteer, and our volunteer website is the perfect place to start.

Browse available volunteer opportunities throughout York County, and connect with nonprofits that can use your help.

Volunteer opportunities include:

- Completing hours for school
- Court-mandated community service
- Working on a passion project
- Building your resume and connecting with community partners
- Getting involved and giving back

Keep it simple and break it down.

Gather a group for team-building while making an impact in our community.

The Volunteer Center can help to connect your company or group, or develop a stand-alone volunteer opportunity to take part in.

Whether you’re looking for a one-time event or a regular function, group projects:

- Serve as a team-building exercise
- Build and reveal skill sets
- Encourage and improve communication among group members
- Engage your local community

Think about...
- Interest
- Availability
- Time & Location
- # of People
- Shifts

For example...
We want to help the elderly, on a Saturday morning in June, at a location near the office, with 12 employees and two 2-hour shifts

Get the help you need to support your mission and accomplish your goals.

As a nonprofit, you can utilize the Volunteer Center and the volunteer website for your organization’s needs, such as:

- Recruiting and managing volunteers who want to help your organization
- Posting current, one-time or ongoing volunteer opportunities
- Listing community events

Take advantage of large groups who regularly reach out to the Volunteer Center seeking volunteer opportunities, and connect with special events such as Day of Action, the largest one-day volunteer event in York County!

Employers are encouraged to give employees part of the day off, so that they can join more than 1,000 others across York County in a day of service for our community.
