"Dr. Angela" Lindenmuth Marick is an inspirational speaker, writer, mindset coach, founder of White Rose Family Chiropractic, and owner of ShatterBox Coaching. Her life's mission is to inspire people to grow through life's challenges. She lives in York with her husband, Paul, and their three sons and three dogs.

After losing her beloved first husband, Josh, to cancer in 2016, she went on to write a book about her experience with grief. With her training, wisdom, compassion, and experience of personal tragedy and personal transformation, Dr. Angela uplifts and engages her audiences with her messages of hope, renewal and a fresh perspective on life.

Stay tuned for a registration link in late February.

Interviews with Inspiring Women is an opportunity for Women United members to gather to socialize with one another and hear the experiences of an inspirational woman in our community. This is a relaxed environment where questions are encouraged as well as plenty of laughter. This is a free event, and breakfast is included.

Thank you to our holiday volunteers

More than 35 Women United members and friends came together in December to **volunteer with The Salvation Army** and wrap gifts for its Christmas Cheer program. Their program served 1,667 children this year, so our efforts were greatly appreciated in serving these families and ensuring every child had a happy holiday season.

Check out photos online of our group and Emerging Leaders Society members volunteering alongside us.

And, stay tuned for volunteer opportunities coming in 2019!
