

LEADING THE CHARGE  
INSPIRING THE CHANGE™

# WE ARE WOMEN UNITED.

As an integral part of United Way of York County, Women United® is a diverse, vibrant community of women, bound together by a powerful sense of belonging — to each other, to the United Way's mission, and to the communities we call home.

## WE IGNITE CHANGE.

In York, we tackle the issues that matter most to the people who call it home: Our local vision is to build a stronger community by promoting literacy and lifelong learning. We empower one another to leverage our passions, ideas, expertise and resources to effect positive change as philanthropists, role models, mentors, and leaders.
