Confidential Application for Sprouts Scholarship Program

United Way of York County values how positive early learning experiences can affect a child for their lifetime. A child's brain develops so rapidly in their first years, it's almost impossible for us to imagine. By age five, about 90% of our brains are developed. United Way supports York County families in their journey towards finding affordable quality early learning experiences for their children. Our goal is to assist working households to achieve financial stability. The scholarship is awarded for January through June and July through December.

Eligibility Requirements

To qualify for a scholarship, the parent(s) of the student(s) must either **reside or be employed** by a company located in York County. The student must be a resident of Pennsylvania. An eligible student is a Pre-Kindergarten/Preschool student who is 3, 4 or 5 years of age. The child must attend an approved program and be a member of a household with an annual household income of not more than \$105,183 except that an additional income allowance of \$18,514 is permitted for an eligible student with a disability, and for each other dependent as defined by the IRS living within the same household. To be considered an eligible student with a disability a student must meet the following criteria: (1) is either enrolled in a special education pre-kindergarten program or has otherwise been identified as a "child with a disability" as defined in 34 CFR §300.8; (2) needs special education and related services; (3) is enrolled in a pre-kindergarten program and (4) is a member of a household that does not exceed the maximum annual household income.

Prior to filling out the application, families should work with their Center Director to determine if any other financial assistance is available. Families **must** utilize other financial assistance available first.

If a family is awarded a scholarship, they must complete a post-award survey within one month. Scholarship payments will not occur until the post-award survey is completed.
